2026

**NORWOOD**  
**CROSSING**

An Oakdale Seniors Alliance Supported Community

At Norwood Crossing, we strive to offer personalized care and exceptional service at competitive and affordable rates. Fees for care and services are based on each resident's needs and preferences, as determined by the living accommodation selected and their personal service plan.

The type and frequency of care each resident receives are determined through their assessment, which forms the basis of their personal service plan. We tailor custom plans around each resident's specific needs and preferences. Fees are then based on the care provided to each individual. Please contact us today for more information.
